Dear Sirs

FSCS ref P

Thank you for your letter of 9 January following the successful conclusion of the above claim against Everett and your cheque in settlement.

I mentioned my potential claim against Hoodless Brennan and would like to proceed with it. I have discovered several purchases from them in my bank statements during the years 2005 and 2006 and understand from a recent telephone conversation that older claims from 1998 onwards are no longer accepted by the FSCS.

I look forward to hearing from you on how to proceed.

Yours sincerely,

Dear Hallbrook Partners,

FSCS ref.# P

Just a word to say thank you for obtaining compensation from FSCS and interest.

I had written the investments off long ago (around 22 years I guess) and almost forgotten them until your firm contacted me. The only thing I really remembered was shredding the contract notes etc. several months ago, to create some space as I started the long job of preparing to downsize., so it was another (pleasant) surprise to hear that you held the required records.

To say that I am delighted with your service would be a huge understatement!

Thank you to everyone concerned in the process!

With kind regards,

Dear Scott,

I confirm receiving Claire Brooksby's letter of the 18th February enclosing Hallbrook's cheque for £2425.17, representing the net amount of the FSCS compensation payment.

Bearing in mind that, when I was first contacted by Hallbrook, I had not even thought of claiming any compensation, I am now a bit richer by accepting Hallbrook's offer to act for me. It will help cover the cost of inviting the family up here for my 90th!

My thanks to Hallbrook Partners for raising the matter initially and also persisting, even after my refusing to accept that others be involved in the claim.

Yours sincerely,

Like many others I was unknowingly a "victim" of mis-selling of shares by a broker back in the year 2000. Having written off my losses a long time ago I was very pleased Hallbrook Partners offered to take up a claim for compensation with the FCSA on my behalf.

Throughout the process Hallbrooks were totally professional and their staff both extremely helpful and friendly.

To my surprise within 2 weeks my claim was upheld and the refund, less their well earned fees, reached my bank account.

If you are in a similar situation please do not hesitate in accepting Hallbrook Partner's excellent service. I cannot rate them too highly!

Dear Ashley,

I have tried to post the following recommendation, and clicked the "Post" button, but nothing has happened. Anyway, you can quote me as follows:

I can't praise Hallbrook enough. This was a very stale claim, I had destroyed all my original documents, and the only evidence remaining was incomplete computer records.

They overcame all obstacles, including an original refusal of my claim. I can't think that they made a profit out of what they charged me, which I am very happy to pay.

Are you sending me a cheque, or making a bank transfer (you have my bank account details? Will you be sending me a cash statement?

Kind regards, and thank you for everything.
