Thank you for your letter of 19th and confirm that I have received a letter from fscs setting out details of the compensation due to me.

As you say you can transfer funds to my account can you do so to Sort code A/C no Name of RA

Thank you again for your help without which I would have had no knowledge of the situation and would therefore have not been in receipt of any compensation.

A very merry Xmas to you all and you may use my email address for any future correspondence.

Thankyou so much for contacting me and working hard to get money back for me which I never would have been able to do on my own and had written off.

I wonder if you could help with a sipp which I was persuaded to transfer into and is now worthless. I think it was an unregulated investment and is a store pod. Various people are involved including the financial advisor ,his company,an advisory company and store first. Let me know what you think
